To be eligible, the reservation must be an active booking (not previously cancelled) with no other cancellation offers previously accepted.

- Previously announced on March 6, 2020, the flexibility to cancel up to 48-hours prior to sailing in exchange for a 100% Future Cruise Credit will continue, though the eligible sailing window has been extended to now include all sailings through April 2022.

When rescheduling for next year (Lift & Shift) only cruise fare amounts will be protected. Taxes, fees, transfers, hotel, and air fare will not be protected.
- **NEW!** Stick with us and your client is eligible to take advantage of our **Best Price Guarantee up to 48-hours prior to their cruise vacation start date**, ensuring the best rate and/or promotion. Price variances will result in a rate adjustment if requested outside of final payment or an Onboard Credit when inside final payment period.
- If desired, guests wishing to cancel prior to final payment can absolutely do so for a full refund of all monies paid to-date, and all nonrefundable deposits returned in the form of a Future Cruise Credit. Absolutely! FCCs administered as a result of Cruise with Confidence are applicable to holiday departures.

A Cruise with Confidence FCC cannot be used to simply pay for the cruise deposit. If the FCC does not cover the gross cruise fare, the guest will be required to pay either the balance due, or the deposit amount, whichever is lower.

26. What happens if my client placed a deposit on a new booking and the FCC that is issued is valued at more than the value of my cruise?

Once the request is received, we will apply the Future Cruise Credit to your client's reservation. Your client's deposit can be used towards any taxes/fees, pre-paid gratuities, or travel protection. If the FCC has any additional value after application, it will be reissued as a new FCC.

27. Can my client use more than one Future Cruise Credit to pay for his/her cruise fare?

At this time, only one FCC can be applied to each guest in a reservation. Future Cruise Credits are not stackable.

28. Are Future Cruise Credits applicable to existing bookings or do only new reservations qualify?

Future Cruise Credits should be used on new bookings; however, we understand that your client may have an existing booking with the deposit paid in anticipation for the certificate amount. Your clients can opt to apply the FCC amount to cover any amount due towards the cruise fare on the booking. Please note that FCCs do not cover taxes & fees or other booking components - such as prepaid gratuities or transfers. Should the value of the FCC be greater than the balance owed, the variance will be reissued in the form of a Future Cruise Credit.

29. If my client has a unique scenario, specifically related to the redemption of their Future Cruise Credit, is there a process that I should follow to assist in servicing such requests?

We understand that there may be one-off scenarios that need special attention or unique consideration. Most of these situations can be addressed by our call center team members as they have been trained accordingly.

SCENARIOS

Different Ship:

- If my client is currently confirmed on *Explorer of the Seas* in Europe this August 2020. Is my client able to book on *Harmony of the Seas* in September 2021?**

Absolutely! As long as your client is sailing next year on a departure that falls within a 4-week span of their original sail date, he/she is able to enjoy a cruise onboard the *Harmony of the Seas* in Europe within the same stateroom and on a sailing of the same length.

Different Sailing Length:

- If my client was booked on a 4-night Bahamas cruise onboard *Mariner of the Seas* in October 2020 and now wishes to move to a 3-Night weekend getaway onboard the same ship in October 2021, can my client take advantage of Lift & Shift as long as the same stateroom category is selected?**

Though the same itinerary, stateroom category, and 4-week cruise window were selected, unfortunately, Lift & Shift is only applicable on sailings of the same length. If your clients would like to reconsider, we will happily protect the pricing and promotional offerings on a 4-Night Bahamas cruise in October 2021.

Different Inventory Type:

- If my client would like to Lift & Shift from 2020 to the same cruise in 2021 but would now prefer a balcony stateroom over their prior oceanview. Is this possible?**

If desired, your client is certainly able to upgrade to balcony accommodations, though under prevailing pricing and promotional offerings. Unfortunately, prior rates and promotions will not carry through.

Different Timing:

- My client is currently confirmed on *Oasis of the Seas* departing Fort Lauderdale on December 6, 2020 and wishes to Lift & Shift this reservation to *Oasis of the Seas* departing Miami on December 19, 2021. Is this feasible?**

Since December 19, 2021 is a Christmas sailing and the current reservation is confirmed on a non-holiday December cruise, unfortunately, Lift & Shift does not apply.

TEMPORARY POLICY RELIEF

For sailings through September 1, 2020:

- Double name changes are allowed until 48-hours prior to sailing for both individual and group reservations, a form must be completed to action this due to GDPR compliance.

40. Why was the decision made to relax some of the normal policies?

These temporary updates to our policy will allow for our valued trade partners to hold onto space further into the booking window on 2020 sailings. Our trade partners and their business are critical to our success and we want to allow for maximum flexibility.

41. What sailing window does this affect?

All 2020 departures are eligible, including both existing and new reservations. Please note that existing bookings will be automatically updated to reflect these new terms. Inventory on sailings departing in 2021 and beyond is subject to our existing payment schedules and standard policy guidelines.

42. Do I need to opt-in to this program?

No, your space will automatically be updated to reflect these new policies for qualifying 2020 departures.

43. Are contracted groups and charters included in these updated group checkpoint policies?

No, contracted groups and charters are excluded from this policy adjustment as they have unique payment schedules.

44. Will I be able to update the names on my clients' bookings if they become unable to travel?

Yes. For sailings departing on-or-before September 1, 2020, we have relaxed our policy on name changes to allow modifications to all names within the booking until up to 48 hours prior to sailing.
