## WITH CONFIDENCE

### LOOKING FOR FLEXIBILITY IN YOUR TRAVEL PLANS?

Whether your guest are already booked on a cruise, or are thinking about it, we want them to **Cruise with Confidence!**

Effective May 6, 2020, for new and existing bookings created by August 1, 2020, guests have the flexibility to cancel their cruise up to 48 hours prior to sailing and receive a full credit of the cruise fare for a future cruise through April 2022. The new cruise must be redeemed by December 31, 2021 or 12 months from the original sail date (whichever is longer).

To be eligible, the reservation must be an active booking (not previously cancelled) with no other cancellation offers previously accepted.

In addition, we have added a “Lift and Shift” and “Best Price Guarantee” option to our Cruise with Confidence Program. Terms and conditions apply.

Policy	Eligible sailings	Opt in date
<b>Cruise with Confidence</b>	Before April 30, 2022	August 1, 2020
<b>Lift &amp; Shift</b>	Before April 30, 2022	August 1, 2020
<b>Best Price Guarantee</b>	Before April 30, 2022	48 h prior to sailing

### LIFT & SHIFT

Lift and Shift is for those guests simply wishing to move their existing booking to next year.

For ease and as close as 48 hours prior to sailing, travelers have the option to simply “lift and shift” their cruise to the same itinerary departing on a future date. The original price (cruise fare) and promotional offer on the reservation will be protected, along with the length of the cruise and stateroom category.

The alternative sail date that the guest will be moved to, needs to be dated within 4 weeks (before or after) of the original sail date, but for the following year. For example, if you are moving from a July 30, 2020 sailing, you must move to a sailings that is the same itinerary, length, and stateroom category, and the sail date should be June 30, 2021 – August 30, 2021. To be eligible, guests must move their booking on or before August 1, 2020.

### BEST PRICE GUARANTEE

Guests can choose to change the price and promotional offer, as many time as they like, on their reservation up to 48 hours before their cruise.

Price variances will result in a rate adjustment if requested outside of final payment and an Onboard Credit when inside of final payment period.

The best part, you can use the Best Price Guarantee even if you have done a Lift & Shift!
